Dear Mr. Hall and Ms. Hollis:

I have read through the Consortium for Advanced Bioeconomy Leadership Education (CABLE) Welcome documents and application materials and have reviewed the CABLE Calendar for Cohort 2. I understand my participation runs from July 1, 2018 through June 30, 2019. This letter confirms my commitment to participate in the program as a Student Delegate, representing my University in the Consortium.

I am willing to commit to the participation dates shown in the program calendar for group meetings. In addition, I commit to completing the assignments and reports that are included as part of my training and that are in addition to my other school work.

I am cognizant of the expectations of Student Delegate participants, including attendance at required events, the need to travel to some events, survey completion, reporting and presentation, and hosting a CABLE event at my University – per the calendar of events included with the Program Description.

I understand photographs and videos may be taken of me during the program and I will allow these to be used by the Program for educational and recruitment purposes.

Sincerely,
